Parents are strongly encouraged to serve as assistant coaches. Parents can assist the coaches with various needs that may arise ranging from transportation to helping with practices to refreshments.

The other side of this pamphlet is divided into 3 sections (coach, parents, and youth participant). It is important for each person to make the appropriate commitment. It is also good for parents to know what is expected of their children and what they can expect of their coaches. **Any behavior by a coach that is inconsistent with the commitment listed indicates potential problems that should be discussed with YMCA senior staff.**

- **The coach** should have already completed the coach's section. It provides the parent with an example of the type of behavior to expect from the coach.
- **The parents'** section should be completed and retained by the parents as a reminder of how they have agreed to behave in support of the values the program seeks to instill in their children.
- **The participant's** section should be signed by the child and retained by the parent to document their child's commitment.

All of the codes of conduct are part of the application and authorization to participate in the youth sports program. **Participation in the program indicates that parents and participants agree to abide by their respective codes of conduct, and that violation of their code is adequate grounds for removal from the program.** In order to provide an atmosphere where our youth can develop into the citizens we want them to be all three elements – the coach, the parents, and the youth must be equal partners for change.

A commitment to good sportsmanship for our children in youth sports programs

This pamphlet provides individual **CODES OF CONDUCT** for participants, parents, and coaches that the Pen Bay YMCA observes in all its youth sports activities. Youth sports are a valuable and meaningful tool for developing confidence and character in young people in a fun and active setting.

We have a **ZERO TOLERANCE POLICY** regarding the conduct of coaches, of parents, and of young participants. We expect and demand behavior that is consistent with the YMCA's stated goals...**to build strong kids, strong families, strong communities.**

COACH'S CODE OF CONDUCT

I will provide a playing environment for my players that is safe from physical and emotional harm.

I will treat each player as an individual, keeping in mind the wide range of physical and emotional development within the same age group.

I will place the emotional and physical well being of my players ahead of any personal or parental desires to win.

I will lead by example, demonstrating fair play and sportsmanship in my on- and off- field activities.

I will abide by the YMCA's code of conduct:

- I will not subject any child to neglect or to mental, verbal, physical, or sexual abuse
- I will not leave any child unsupervised
- I will not be alone with any child where we cannot be observed by others
- I will treat all children equally.
- I will not transport any children in my vehicle
- I will be a positive role model by maintaining an attitude of respect, loyalty, patience, courtesy, tact, and maturity
- I will utilize positive guidance techniques
- I will refrain from profanity.

I will not hold extra or special practices.

I will use coaching techniques that are appropriate for all the ages and skill levels present.

I will seek and encourage parental participation at practices, games, and any other activities.

I will respectfully control the behavior of players and parents by asking them to leave the sidelines should they become unruly or create an atmosphere that is not appropriate for the development of good sportsmanship.

PARENT'S CODE OF CONDUCT

I will place an emphasis on the fun of participation and keep the emotional and physical well being of all the children ahead of my personal desire to win.

I will require my child to treat other players, coaches, fans, and officials with respect.

I will encourage good sportsmanship by giving positive support to all players, coaches, and officials at every game, practice, or other event.

I will support and assist this experience however I can... by being a respectful fan, by assisting with the practices, by providing transportation, etc.

I will support coaches and officials by working with my child in order to encourage a positive and enjoyable experience for all.

I will refrain from the use of tobacco, alcohol, and drugs at all youth sports practices, games, and other events and I will encourage others to do the same.

I will remember that youth sports are for the kids and not for the adults and will do my very best to make this experience fun for all of the children and parents involved.

I will monitor the actions of our coach or coaches and will bring any behavior that is inconsistent with the Coach's Code of Conduct to the attention of someone in authority at the YMCA.

I will pick up my child promptly after games and practices so the coach is not left in a compromising position with my child.
